ROTARY PLANS PARTICIPATION IN U. N. WEEK; HEAR GRID COACH

Plans for participation in several United Nations Week events were outlined Monday evening at the meeting of Rotary at the YWCA.

The Rotarians will dine next Monday at the Gettysburg High School with the Lions and Exchange clubs at a dinner honoring the 97 Adams Countyans who served in Korea, Vice President Roy Hammond announced. The dinner will begin at 6 o'clock next Monday evening.

Immediately following the dinner, the public celebration of United Nations Day honoring the returned Korean War Veterans will be held at 7 o'clock on Kurtz Field at the high school.

Meeting In Court House

Speaker at that event will be Dr. Richard H. Heindel, a native of Hanover and former Gettysburg College student, now an official of the U. S. State Department in the section working with the United Nations Educational, Social and Cultural Organization. Dr. Heindel was on the staff of U. S. Senator Arthur Vandenberg, when the late senator was head of the Senate.

FINE WEATHER GREET'S LOCAL TOURING PARTY

(Special To The Times)

STATE LINE COLONIAL BEACH, Va. — Clear skies and golden fall sunlight that maintain temperatures in the mid-seventies smiled on the group of 29 Gettysburgians who Monday ended the first leg in a four-day "Good-Will" tour of Virginia as guests of the Virginia Travel Council and the Virginia State Commission on Conservation and Development.

Despite the necessity to maintain strict sight-seeing time schedule planned by the Council to concentrate on Civil War history, movement of the 21-man, 8-woman Gettysburg contingent proceeded with amazing precision.

The Yankee tourists, traveling Virginia's scenic "Old Telegraph Road" which yearly accommodates 14,000 out-of-state cars, were the "Kick Off" breakfast guests of the Travel Council at the swank Pendaw Hotel. They found that the tourist trade throughout Virginia grosses in the sunny neighborhood of one billion dollars.

In rapid succession the Gettysburgians were whisked from the palatial Gunston Hall plantation home of George Mason (here tour guides had a difficult time inducing boxwood and magnolia fancier Mrs. ...)

Falls During Air Raid Test; Has Operation

Harry Wisotzky, 61, of 44 Breckenridge St., is a casualty of the test "air raid" held in Gettysburg last Tuesday but he didn't realize it until a week later.

The local painter submitted to surgery Sunday midnight at the Warner Hospital as the result of a ruptured spleen sustained when he fell on Baltimore St. the evening of the "raid" in an attempt to "take cover" when the warning whistle blew.

Mr. Wisotzky had gone downtown for a haircut that evening and was warned by his wife when he left to be off the street by 7 o'clock. He had just left the barber shop when he heard the whistle and made a dash for "cover" when he tripped on the sidewalk, falling on his side. He complained of pain during the week but continued painting. He grew worse Sunday afternoon after he was rushed to the Warner Hospital in an ambulance that evening. Two transfusions were necessary before the operation could be performed. The patient had been bleeding internally, according to his family, ever since the fall.

Mr. Wisotzky, the father of four sons and one daughter, is reported to be in a satisfactory condition today.

CODE VIOLATORS

George D. Chilcote, Littlestown, paid a fine of \$10 and costs recently in Westminster on a charge of reckless driving.

Leo Barret, New Oxford R. 1, was charged by Hanover police Saturday with illegal passing.

Oil Stove Catches Fire; Little Damage

The Gettysburg Fire Department was called at 11:40 o'clock this morning when a three-burner coal oil stove caught fire at the home of Lester Miller, on the former Jesse Scott farm, five miles north of here on the Mummaburg Rd.

Firemen discovered upon their arrival that the blazing stove had been carried out of the kitchen by two men, and the only damage to the building was smoke stains in the kitchen. The blazing stove was quickly extinguished and the firemen returned to the fire house at 12:04 p.m.

COMMITTEES FOR LEGION WOMEN ARE APPOINTED

Appointments of committees to serve for the coming year featured the meeting of the American Legion Auxiliary Monday evening at the Legion Home, Baltimore St.

Announcement was made that the Gettysburg Elks Lodge has donated a piano for the Children's Hospital at Mt. Alto in response to a plea made recently.

It was reported that Mrs. Grant Corbin, Ohio, formerly of Gettysburg, has sent a donation of \$12 to the Auxiliary for use of the Scotland School.

Mrs. Henry Garvin, president, who presided at the meeting, announced the following committee appointments:

WILL DISPLAY NEW PLYMOUTH CARS THURSDAY

The new Plymouth for 1954 will be displayed on Thursday, the Adams County Plymouth dealers announced today.

The new models have optional power steering and three choices of power drives.

The new Plymouth may be seen at the Biglerville Garage, Biglerville, Pa.; McCauslin Auto Sales, York St.; Phil's Garage, York St.; Gettysburg Motors, Inc., York St.; and R. L. Crouse and son Garage, Littlestown.

"We are confident that people will like the new beauty of our 1954 cars," says President John P. Mansfield of Plymouth. "We are absolutely certain that they are the most durable, best riding, best performing and roughest cars that Plymouth has ever built."

Plymouth is using the link type of power steering. The hydraulic "muscle" is in the steering linkage. Plymouth officials say it is the most effective, compact and serviceable installation produced for cars in the low price field. It reduces

Will Speak On U. N. Issue At Y Oct. 22

Prof. Philip E. Johnson, of the Department of Political Science at Gettysburg College, will speak on "The United Nations and National Sovereignty" Thursday evening, October 22, at 8 o'clock under the auspices of the Public Affairs Committee of the Y as a feature of the United Nations Week to be observed in Gettysburg and the nation next week.

Professor Johnson is a new member of the college faculty and is engaged in research work in political science at Columbia University, New York. He will explain "to what extent national sovereignty should be or can be forfeited to a larger sovereignty such as that of the United Nations."

The lecture is open to the public.

GOES TO ROME

Rev. Stanley Scarff, pastor of St. Anthony's Shrine, near Emmitsburg, is one of 200 clergymen selected by Archbishop Keough of Baltimore to go to Rome to witness the dedication of the newly-built North American Catholic College, from which Father Scarff was ordained 22 years ago. He sailed on the S.S. Constitution. He expects to be absent about a month.

TO TEST RADIOS

The regular county-wide Firemen-Civil Defense radio system test will be held this evening at 7 o'clock, Deputy Civil Defense Director Roger Myers announced today.

Open Membership Drive

Three of the many volunteers for the Gettysburg Concert Association membership drive are shown at the "kick-off" dinner Monday evening at the Hotel Gettysburg inaugurating the campaign for memberships. Shown left to right are Miss Elaine Taylor, Mrs. Eugene Haas, both of Arendtsville, and Mrs. P. J. McGlynn, Biglerville, a division chairman.

College Dean Says Interest And Enthusiasm Of Workers Is Sign Of Good Concert Season

"Gettysburg has had fine concerts in the past year. This year, with a more enthusiastic and larger group of workers, I believe we will make considerable progress and have more subscribers to the Gettysburg Concert Association than ever before," declared Dr. W. E. Tilberg, dean at Gettysburg College, at the "kick-off" dinner at the Hotel Gettysburg Monday evening. 66 attended the dinner.

Mrs. Frank Kramer, president of the association, presided. Dr. Harry P. Baughman, president of the Lutheran Seminary, said, "I know we are going to have some top flight artists and a real worthwhile concert series this year." Dr. Tilberg spoke in the absence of Dr. Walter C. Langsam, president of the college, who was in Chicago.

Mrs. Earl Bowen, chairman of the membership campaign, expressed her thanks and appreciation for the interest and cooperation of the division and district chairmen and the many volunteer workers.

Expresses Confidence

"I am very much pleased with the interest and the enthusiasm this year. I feel confident we will have a large membership. Our headquarters will be in the lobby of the Hotel Gettysburg and we will be available to assist wherever we are needed. The headquarters will be staffed from 9:30 a.m. until 5 p.m. and on Saturday until 8 p.m. I hope we will go over the top," she said.

Edgar M. Kneidler, representing the Community Concerts Association of New York City, declared that despite the interruption of the local concerts by Sunday movies and TV and radio "we have had a noticeable increase in

Wounded In Action In Korea, College Grad Says War-Torn Land Will Need Much Help

Lt. James Alexander Brown, wounded veteran of the Korean War and husband of the former Miss Jane Arlene Shetter, daughter of Mr. and Mrs. Cloyd Shetter, Chambersburg St., today was completing the processing for his separation from the service at Camp Kilmer N. J.

Here Monday to meet his wife, on his return from the Orient, Lt. Brown expressed the belief that "Korea can recuperate from the terrible destruction of the war," but said "it will take a long, long time and a lot of help."

The local officer, a graduate of Gettysburg College in 1952, was wounded last October at Triangle Hill in Korea while leading an infantry platoon during the battle for that sector of Korea.

A mortar shell exploded near him and a fragment struck his skull, hospitalizing him for some time. He explained: "As for

Biglerville Fan Wins First Prize In Football Contest

In Monday's listing of games for this week's contest, one game was incorrectly listed as being scheduled between Albright and Franklin and Marshall, inasmuch as F. and M. plays Drexel this week, that game will not be included in the compilation because of the error.

George Gorman, East York St., Biglerville, with 12 winners out of a possible 14 and a feature score of 27, won first prize in last week's Football Contest conducted by The Gettysburg Times and 14 participating merchants. He received a merchandise certificate worth \$15. The combined score of the feature game was 18.

Mrs. Joseph Hess, 326 South Washington St.; Harman Spence, Orrtanna R. 1, and Ted Tussing, 231 Hanover St., were tied for second and third place each with a selection of 12 winners out of a possible 14 but their feature score was 33, each having selected that number. As a result the three will share the second and third prizes of \$7.50 and \$2.50 respectively.

The second week's contest page appeared in Monday's edition. The feature game is the Gettysburg-Shippensburg High contest.

SURPRISE AIR RAID DRILL IS PREDICTED HERE

Adams Countyans can expect a surprise air raid drill "sometime within the next three to five weeks," Roger Myers, Deputy Civil Defense Director for Adams County told the Adams County Firemen's Association at its quarterly meeting Monday evening at Centennial.

"We have had two air raid drills so far, and the results of both have been good," Myers said. "In fact the results of the last test were beyond our expectations."

"But in case of an actual air raid there will be no advance warning through the newspapers. It will come suddenly, without previous warning."

Ready For Test

"And so we feel now that we are in a position to pull a surprise test air raid drill. We want to see if we have actually learned what to do in the event of an actual raid: whether people are familiar with the sirens and bells and other signals of a raid; whether you as firemen will come running to the fire house or take cover as you should, until the all clear is sounded."

"No one will know about the test except the person who will sound the alarm. The signal will come down through the Civil Defense telephone hook-up just as it would in an actual raid. From it we should learn what needs to be done to perfect our Civil Defense system."

Civil Defense matters occupied much of the meeting. Myers asked all fire companies to query their auxiliaries to determine how many people could be fed under emergency conditions by the firemen and their auxiliaries, and what equipment, such as field stoves, etc., they have.

Need Emergency Data

When the auxiliaries determine how many they can feed, basing their judgment on their work in connection with firemen's bazaars, etc., the information should be forwarded either to Myers or to County

Critically Injured In Accident Monday

Three persons were injured—one critically—when a car crashed into the rear of a farm implement wagon four miles west of Davidburg near Bermudian Church about 4 p.m. Monday.

Admitted to Hanover Hospital in a critical condition was John W. Deardorff, 45, of East Berlin R. 1, with a skull fracture and cuts of the face and right ear. He has remained in an unconscious condition since the accident.

Also treated were J. Raymond Deardorff, 49, for a broken left collarbone, and Henry S. Crane, 31, for a cut forehead. Both are from East Berlin R. 1.

State police reported a car driven by Crane crashed into the rear of a farm implement wagon that the Deardorffs were coupling to a truck operated by John H. Hershey, 26, Menkes Mills, pinning them between the two vehicles.

Damage was placed at \$500.

Birth Announcements

Mr. and Mrs. Glenn Bream, Arendtsville, announce the birth of a daughter today at the Warner Hospital.

A daughter was also born at the hospital today to Mr. and Mrs. Sherman Anderson, Emmitsburg.

Mr. and Mrs. Wayne VanDyke, Biglerville R. 1, became the parents of a son born Monday at the hospital.

Born, a daughter, to Mr. and Mrs. Charles Hubbard, Emmitsburg, at the hospital Monday.

SOROPTIMISTS TO MEET

The soroptimist club will meet at the YWCA at 7 o'clock this evening and will go from there to Littlestown where their treasurer, Miss Anna C. Weaver, will conduct them through the newly renovated Littlestown National Bank of which she is the assistant cashier. The monthly business meeting of the club will also be held there.

Greetings To Eisenhower

"Congratulations. May our good wishes and affection contribute to your health and happiness through your administrations and the enjoyment of years of retirement."

This is the telegram that John H. Bashore, chairman of the Adams County Republican Committee, sent to President Eisenhower today just before leaving Gettysburg at the head of a 26-man delegation for the President's birthday party at Hershey.

The county delegation left in four cars. They will be seated together at the birthday dinner in the huge circus tent and later at the sports arena for the evening's entertainment.

7 YOUNGSTERS ARE ENTERED IN SPOOK CONTEST

Seven contestants for "King" and "Queen" of the Halloween parade were announced Monday evening at a meeting of the parade committee at the Albert J. Lentz American Legion Home, Baltimore St. They are:

Catherine Degman, York St.; Barbara Anzenbruber, Mummaburg St.; Vivian Gieselman, Biglerville; Betty Lou Kuykendall, Biglerville; Joyce Riley, W. Middle St.; David Neary, W. Middle St. and Kenneth Mummet, E. High St.

Additional entries may enroll at any time. Because the contest begins Wednesday and ends October 27, the committee urged additional entries to be made prior to Wednesday, so all contestants can begin on an equal basis. Those planning to enter should register with Charles Lauer at the Gettysburg Moose Lodge.

Prizes to be awarded include bicycles for the King and Queen, a football for the "prince" and roller skates for the "Princesses". The King will be the boy with the highest number of votes in the popularity contest and the prince will be the runner-up. The queen will be the girl with the highest number of votes and the princess the girl with the second highest vote. Containers will be placed in various business places for the candidates, and each penny donated will count as a vote. Contestants must be between 11 and 14 years of age, inclusive.

The "King and Queen," "Prince and Princess" will "preside" at the parade October 28 and the events following at the Recreation Field.

Car dealers are asked to volunteer.

Stork Sets New Record

The stork set a new all-time record for a single month here in September by delivering 105 babies in Gettysburg and the four surrounding townships. It was a new high for any month in local vital statistics.

The 105 babies, 20 more than were born here in the same month last year, put 1953 ahead of 1952 for the first time this year. Up to September 1, last year's total had topped the 1953 production but now the total for this year is 711 as against 705 for the first nine months of 1952.

Deaths also have increased. There were 183 so far this year but only 146 in the same period last year.

September's births includes 49 males and 55 females born in Gettysburg and one male in Cumberland Twp. The low point in births for this year was reached in March with only 57.

The September deaths were distributed this way: 17 in Gettysburg, two in Cumberland Twp. and two in Freedom Twp. for a total of 14 males and seven females. Last September had only 10 deaths.

Knights Of Malta Meet Oct. 18, 19, 20

The Knights of Malta will hold their Supreme Session at the Hotel Gettysburg October 18, 19 and 20, Charles W. Bowers, Lancaster, deputy grand commander of the Ancient and Illustrious Order of the Knights of Malta Grand Commander of Pennsylvania, announced today.

On the night of October 19 a silk American flag will be presented by Deputy Grand Commander Charles W. Bowers to the Supreme Grand Comandery following the College of Ancients banquet.

Deputy Grand Commander Bowers is a past commander and a member of White Cross Commandery No. 159 of Lancaster. He will arrive in Gettysburg late Monday afternoon and return to his home in Lancaster after the banquet.

School Board Wants To Put New Grade School On New Site, If Deed Comes Soon

LOWER GRADES GAIN 271 HERE IN TWO YEARS

The enrollment in the first six grades in schools of the Gettysburg Joint School District increased by 271 in the last two years and 113 of those extra pupils are in the first two grades. Ninety-eight of them are first graders, reports presented to the Gettysburg Joint School Board by Dr. Lloyd C. Keefe, superintendent, Monday evening showed.

Th figures revealed that 1087 or nearly 53 per cent of all pupils in the local public schools are in the first six grades. There are 966 or 47 per cent in the upper six grades including the high school. The net increase in high school enrollment in the last two years has been small.

Less Than Half From Town

The same figures show that considerably less than half of the pupils in the joint district reside in Gettysburg. The borough supplies only 39.84 per cent of the pupils in the lower grades and 35.3 per cent of the pupils in the six upper grades. Cumberland is next in each classification with 19.87 per cent of the lower grades and 15.63 of the high school pupils. Strasburg is a close third with 19.78 per cent of the elementary pupils and 15.01 per cent of the junior-senior high school pupils.

The percentages supplied by the other townships in the jointure follow: Freedom, 5.7 per cent of the elementary pupils and 3.1 per cent of the high school pupils; Highland, 6.35 and 3.73; Mt. Joy, 8.46 and 6.11; and Franklin which operates its own grade schools supplies 21.12 per cent of the high school pupils.

In addition to the resident enrollment there are 42 non-residents chiefly pupils from the Hoffman orphanage, attending schools in this jointure. Strasburg sends 28 to the grade schools in New Oxford and 18 to the high school there from the eastern section of the township while Franklin sends eight to the Upper Adams jointure's high school.

PEOPLES MARK ANNIVERSARY IN NEW LOCATION

The Peoples Drug Store — only self service pharmacy in central Pennsylvania — will play host at the first anniversary of its location at 26 York St., October 14-17, featuring bargain sales and prize awards.

Store officials, now hard at work priming for the anticipated rush, expect hundreds of local and out-of-town shoppers during four days for chances at the more than \$110 in special awards.

In honor of the occasion, Peoples Drug Store will give away one "grand prize" each day, Carl Martz—manager for the last 26 years — announced today. The first 100 lady patrons entering the store every day during the celebration week will receive an additional \$1 cologne stick. Grand prizes are: Wednesday: Electric blanket, valued at \$35.95.

Thursday: coffee maker set, valued at \$15.95.

heating controls that will be automatic and will bring fresh, warmed air into the room or can be used to cool the rooms in warm weather.

Floors will be covered with asphalt tile with construction tile walls and acoustic ceilings. All doors and frames will be of metal and corridors and general use rooms will have terrazzo floors with tile and block walls. Each classroom will have a chalk board at the front, a tack board and at the rear there will be recessed space for wraps.

Ample Storage Space

There will be offices, teachers' rooms and adequate storage space, the architects said. Outside there will be lawn at the front and at both ends with floodlighted parking and loading areas at the rear and a covered bus loading platform. Separate play areas are planned for the children of the three younger and three older grades expected to be assigned there.

If a new site is used instead of the one on which the plans are based, the architects said the contouring and footing requirements will have to be revised. They estimated a minimum of two weeks will be required.

It was estimated that 15 months will be required to erect the school after contracts are let. Building and material conditions were reported "favorable" now. The board expects the new building will cost between \$500,000 and \$750,000.

Attorney Reports

Attorney Richard A. Brown, counsel for the school board, reviewed for the directors the steps that brought approval by President Eisenhower of legislation allowing the land exchange here. He said it was not until early October that Department of the Interior approval was secured on the appraisal made of the 23-acre tract east of the high school and not until October 7 could the appraisers be sworn to make their appraisals of the land acceptable to the government for trading.

He revealed that Monday evening at 6:30 o'clock the negotiators met with an owner of one of the tracts involved to discuss an option. The owner was described as "not eager to sell but willing to cooperate." The 50-day option was promised and was to be secured today.

Mr. Brown said that last Friday the government notified him a special permit will be issued to allow the school board to proceed but Brown said, "Contracts and bonds cannot be completed until we have the deed."

May Continue Appeal

"Everyone is doing everything he can and we have assurance that everything will be done to expedite delivery of the deed," Mr. Brown said.

Later Brown said he may ask a continuance for the school board's pending court appeal from the award of the viewers placing a \$35,000 price tag on the Colt Park land it condemned. The appeal has been listed for hearing in November court.

Arthur R. Buehler, one of the negotiators who identified himself as "one of the persons in-the-know on the government land cost figures," said, "I believe we'll save some money by using the government land. But we ought to consider the location of the school with relation to the pupil population in Gettysburg. In Colt Park the school will be three feet below street level and we'll be looking down on its roof. On the government land it will be on a hilltop." After estimating the Colt Park site was 10 or 11 blocks from Lincoln Square and the government land four or five, he suggested a recess for discussion of the question by the boards.

Oppose Colt Park

Dr. Keefeauver pointed out that a large part of the town's school population lies east of Baltimore and Carlisle Sts. and that many pupils would have to cross Baltimore and Washington Sts. to reach the Colt Park site.

Brown told the directors the Planning Committee "more or less laid aside" the proposition from Colt Park owners on terms for returning the land to them because the expense figure they ask reimbursement for is "substantial."

Director Jacob Appier of the Gettysburg board said he knows what the terms are and considers them "very lenient." Dr. R. D. Wickerham, board president, said at the request of Colt Park owners in their own letter the figure will have to be kept "confidential."

A special meeting of the board next Monday evening was announced and it was emphasized a majority of each board must be present to execute leases and sign agreements in connection with the financing of the new high school addition for which a \$775,000 bond issue has been sold.

Buy Equipment

Opening bids asked last month, the board accepted the low offer of \$1,920 for a new steam table and cashier's stand for the cafeteria at the high school from L. A. Weiss, York, W. F. Dougherty, Philadelphia, an unsuccessful bidder, is to be paid \$185 for cafeteria plans he prepared and which were used by the board. The new equipment will be bought with cafeteria funds.

The directors approved a report to the state excluding a girl from the local schools on the basis of reports of her own physician and the school physician. Bills totaling \$18,098 were ordered paid on motion of Finance Chairman Ralph W. Guise.

Routine monthly reports were received as follows: Treasurer's report from the First National Bank showing a balance of \$26,496 after expenses of \$331,795 for the month; cafeteria report showing costs last

"BAD COMPANIONS"

If you wish to detour evil ... keep away from evil friends ... for it's easy to be taken ... in a web of crooked bends ... shady folks are cloaked in heartaches ... so they try to capture thee ... and just like the age-old saying ... they desire company ... and if you take on a friendship ... with someone of wicked ways ... you will find before you know it ... you're the one who always pays ... bad companions prelude downfall ... you will lose and never gain ... for the only thing they have to give ... is great heartache and pain ... so be careful when you're choosing ... someone for a friendly mate ... keep away from bad companions ... now, before it is too late.

BROTHERHOOD LEADS SERVICE AT ST. JOHN'S

The annual observance of Brotherhood Sunday took place in St. John's Lutheran Church on Sunday at 10:15 a.m., when a large congregation attended the service. The service was in charge of the Men's Brotherhood and David Erb, president of the Brotherhood, addressed the congregation briefly. The pastor, the Rev. William C. Karns, spoke on the subject "Toward A Lay Ministry." Members of the Brotherhood led the devotions and made up the choir. Special music was offered by the Brotherhood quartet.

Mrs. Ralph I. Unger was the leader at the meeting of the Christian Endeavor Society of Christ Reformed Church on Sunday evening. Mrs. LeRoy W. Berwager was pianist for the opening song service and Wilbert J. H. Messinger served as chorister. The Scripture was read by Miss Lucille Shoemaker. The pastor, the Rev. G. Howard Koons, offered prayer. A cornet solo was played by Larry Unger. The topic for discussion "Our Church and Training Christian Leaders" was in charge of Lewis E. Bair. John Koons, president, conducted the business period. The meeting concluded with a group

EGYPT HANGS ITS FIRST SPY

CAIRO, Egypt (P)—Egypt today hanged the first of its citizens convicted in the current series of trials of persons charged with treason and plotting with a foreign power to undermine the Egyptian state.

The condemned man was Mahmoud Sabry Aly, 53, formerly employed by the British armed forces.

The Revolutionary Court had found him guilty of spying for foreign interests during and before 1952, and of arresting and torturing Egyptian patriots "to extract confessions harmful to the country's safety." The foreign power was never identified publicly.

Other death sentences against persons convicted by the Revolutionary Court, including one for former Premier Ibrahim Abdel Hadi, have been commuted to life imprisonment by Egypt's governing Revolutionary Council.

Union Bridge Adds Loop Playoff Title

Union Bridge's baseball team completed a grand slam in the Pen Mar Baseball League by blanking Emmitsburg 3-0 Sunday afternoon at Emmitsburg to add the playoff title to its regular season championship.

The victory was the 25th straight without a loss this season for Union Bridge. They swept through the regular league season with 21 in a row, topped New Oxford in two straight semi-final games and followed with two in a row over Emmitsburg in the championship series.

Fellowship Meets

Elizabeth Anne Crouse was the leader for the meeting of the Youth Fellowship of Redeemer's Reformed Church on Sunday evening in the social hall of the church. Opening devotions were in charge of Miss Crouse, who also led the discussion of the topic dealing with "Problems of Parents and Children." Barbara Swam was piano accompanist for the song service. Marilyn Spangler presided for the business period. Final plans were made for the Fellowship to go on a hayride, to be followed with a wiener roast at Higinbotham's Cottage, Marsh Creek Heights, on Monday, Oct. 19, leaving from the church at 7 p.m. Members of the group will invite friends to accompany them for this special activity. The closing prayer was offered by the pastor, the Rev. Frank E. Reynolds. The next meeting will be held Sunday, Oct. 18, 6:15 p.m.

The Women's Missionary Society of St. Luke's Union Church, near White Hall, will not meet on Oct. 16 as previously announced, but the meeting has been postponed to Friday, Oct. 23, 7:30 p.m., at the church.

At a meeting of Girl Scout Troop No. 34 on Monday evening, plans were made for the group to go on a hayride on Friday evening, leaving from the Alpha engine house at 7 o'clock. The Scouts must present their parent's signed permission slips to their leader, Mrs. Carroll E. Arter, before leaving on the hayride.

Halloween Pranksters Get Warning From Littlestown Burgess; Asks Parents' Help

Burgess Herbert J. Motter has issued a warning to Halloween pranksters, in which he stated: "It is not the desire of borough officials and police to curtail Halloween fun, but young people must remember that Halloween is one night only and that damage to property is a misdemeanor." Burgess Motter declared: "Parents of juveniles should make themselves responsible for their children. The cooperation of all citizens is requested as a first step in an effort to prevent further vandalism in the community. Anyone who sees or hears something which they think is out of order is requested to report immediately to the police department."

Complaints have already been received with regard to soap and paraffin being used on windows and cars; air being let out of automobile tires and gasoline being drained from cars. Trucks belonging to Eddie's Cleaners, which were parked in the private lot in the rear of the business on E. King St., were ransacked and valuable sales slips and also private property belonging to the drivers of the trucks were also destroyed or stolen. On Sunday, considerable damage was done at the Littlestown Sewage Disposal plant which will necessitate expensive repairs.

Burgess Motter has authorized the use of the special police, as assistants to Chief of Police Melvin H. Swab, from now until Halloween so that every effort can be made to protect the property of the citizenry.

If the cooperation of the townspeople and young folks is not forthcoming, borough officials are considering revival of the old curfew law. The Burgess reminded the youth of the community that "fun is fun, but willful destruction of property is morally wrong and those caught will be punished."

The annual membership drive of the Gettysburg Community Concert Association is taking place this week and will officially close on Saturday. Both adult and student memberships may be obtained in Littlestown by contacting Miss A. Marie Budde, N. Queen St., who is captain in this community, or from one of her helpers, as follows: The Misses Barbara Waltman, Dorothy Jones and Joanne O'Kul. Membership entitles the owner to at least three concerts in Gettysburg and concerts in three other reciprocal communities.

A campfire and program will be held by the combined Girl Scout Troops and Brownie Troops of Littlestown on Wednesday evening at 7:30 o'clock on the American Legion parking lot, Charles St. Members of all the troops will participate in the program. Badges earned at day camp during the summer will be presented to the girls. Parents and friends are invited to attend. The committee on arrangements includes Mrs. Carroll E. Arter, Mrs. William C. Karns and Mrs. Charles E. Rabenstein.

Election of officers took place at the first fall meeting of the Christian Endeavor Society of St. Paul's Church.

Lutheran Church, held on Sunday evening in the social hall of the church. Results of the election follow: President, Evelyn Dickinson; vice president, William Benner; secretary, Suzi Long; treasurer, Patti Long, and pianist, Jeanne Blocher. The program opened with group singing and the Scripture was read by Susan Baumgardner. Robert B. DeGroot led the discussion of the topic "The Kick-off." The Christian Endeavor benediction was repeated in unison. Evelyn Dickinson was appointed to be the leader for the meeting next Sunday at 6 p.m.

WHY WE CAN GIVE YOU AN EXTRA ALLOWANCE ON YOUR PRESENT CAR

"Mercury dealers sell more cars per dealer than any of our competition. We still make money operating on a lower profit margin—so you can get a higher trade-in allowance!"

LOOK HOW MUCH MORE YOU GET WITH MERCURY

NOW WHEN YOU BUY—you get a car that's breaking sales records. And because our high volume lets us take a lower profit per car, we are now in position to offer you the best trade-in deals in our history. You now can get a Mercury for an initial cost that's little more than the lowest priced cars. And you get so much more, when you get a Mercury!

WHEN YOU DRIVE—you'll be thrilled by Mercury's proven V-8 performance. Here is no newcomer V-8! Mercury has never used anything but V-8 engines. And you have your choice of more optional features—including 4-way power seat, power brakes, power steering, electric window lifts, and immediate delivery on no-shift Merc-O-Matic Drive.

WHEN YOU TRADE IT IN—Mercury's popularity, style leadership, proven V-8 economy combine to give it the highest trade-in value in its field. Because you get more of your investment back in the future when you trade it in, the final cost of a Mercury makes it the "hottest" buy on the market. Get the facts—and drive a Mercury today!

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Visit From Governor: Governor
Pennybacker arrived here Thursday,
accompanied by the Valley Forge
Park Commission in a special car
attached to the 119 train. The ob-
ject of the visit was to view the
roadways, driveways and embank-
ments on the field, with a view of
obtaining ideas in constructing
drives, etc., at Valley Forge.

The party spent the afternoon in
viewing the field, Governor Penny-
backer leaving on the early train
over the Reading Thursday morn-
ing. The remainder of the party
spent Thursday morning in com-
pleting their tour of the battlefield
leaving in the afternoon for Phil-
adelphia.

With the Governor were John W.
Woodside, Dr. M. G. Brumbaugh,
A. H. Bowen, William Henry Sayen,
S. S. Hartranft, Edward A. Price
and the engineer, J. O. Clarke.

While here the Governor and the
commission were the guests of the
Battlefield Commission.

Football: The Gettysburg College
football team was defeated at
Princeton on Wednesday by the
Princeton College team 68-0. The
score seems to be large, but when
it is considered that Princeton is
one of the strongest college teams
in existence, there is excuse for our
boys being defeated. In fact they
deserve to be complimented for
holding the score down as well as
they did.

The game played here on Satur-
day between Lebanon Valley College
and Gettysburg was a very interest-
ing one. The teams were so well
matched that neither side scored.
There were but few fumbles, not-
withstanding the dampness of the
ground. Several times the Gettys-
burg team reached the five-yard
line. Sieber and Diehl made some
good plays for Gettysburg.

Conover-Swope: Metzel Conover
and Miss Myrtle Swope, daughter
of Wellington Swope, both of Mt.
Pleasant Twp., were united in mar-
riage Thursday evening at 7 o'clock
at the home of the bride by Rev.
S. L. Rice, pastor of the U. B.
Church. Charles Swope was best
man and Miss Annie Lefevre
was the bridesmaid. Misses Ida and
Vera Benjamin were the flower girls.
After the marriage, a reception was
held, at which were present over
150 guests.

On the return from a wedding
trip, Mr. and Mrs. Conover will re-
side in Hanover.

Marriages: Thomas-Crum—Oct.
11, in Bendersville, by Rev. Amos
M. Bruce, Benjamin F. Thomas, of
Bendersville, to Miss Addie M. Crum,
of Menallen Twp.

Twp.

Medal of Honor Men Here: We
have in our midst about 150 ex-
soldiers, wearing badges, of which
they can justly feel proud. They are
members of the Medal of Honor
Legion and have obtained these
badges by special acts of Congress
for bravery rendered during the
Civil War.

Their annual convention opened
this morning at the Court House.

General Daniel E. Sickles, who lost
a leg on this field, is president of
the organization and called the
meeting to order.

Among those present are Generals
D. E. Sickles, O. O. Howard, Horatio

Today's Talk

By GEORGE MATTHEW ADAMS

FAITH IS ALL

Is there anything so important
and potent, as a guide through
life, as faith? If there is, I have
never discovered it. Faith, to me,
seems all. If we have it we have
the key to all triumphs, and indeed
to life itself.

This faith, however, is not some-
thing that we purchase or borrow.
It is something that we plant and
nurture within ourselves. It is our
greatest inheritance, but if we do
nothing about it, it gradually seeps
away and we wonder why it is
that we are so bereft of hope and
so confused in a world of both
fear and wonder.

Abundant faith is the expression
of health of soul. With it the spirit
of a human being is unconquer-
able! In the reading of Charles
Lindbergh's recent book nothing is
so outstanding as his faith in him-
self, faith in his plane, and that
highest of all faiths—faith in the
triumph of the spirit.

Without this faith we would con-
stantly be accompanied with
streams of fear which would
smother all hope and energy.
Walking or riding—even at rest at
night—we would be conscious of a
loss of power. On the other hand,
with faith in the saddle, what could
we not achieve within the ability
that is our inheritance?

With faith God becomes real—all
a nature showing, in endless
examples, proof of His omnipotent
power and creative functions.
Faith becomes an anchorage,
which is able to see us safely
through many a storm and un-
expected emergency. All we have
to do is to keep it alive within
our hearts. When the farmer plants
his seed in the springtime, he also
plants his faith in the ground that
he has so carefully fertilized.

Faith is the antidote for fear,
doubt, and disbelief. The great
triumphs of man have always been
those in which faith was domi-
nant. It will always be so. It's
the guiding force of our lives.

Tomorrow Mr. Adams will talk
on the subject: "Remembering
and Forgetting."

Just Folks

By EDGAR A. GUEST

PARTY TRANSPORTATION
When party bound, from friends
who drive,
Rides I receive.
Last are we always to arrive
And last to leave.

I love my friends. Not one I hate,
Not even he
Who for a bridge game stays too
late,
Delaying me.

This never will I understand:
When it is late
While he must play "Just one more
hand"
I have to wait.

I'm grateful to and fro to go
With every friend.
But seldom get the ones who know
When parties end.

MARTIN LUTHER FILM TO OPEN

"Martin Luther," the half-million
dollar feature film produced by a
cast and crew of seven nations on
location in West Germany, will
open at the Strand Theater on
Thursday and will run for one week.
Its showing here is being supported
by the Adams County Ministerium.
The film, dealing with the 16th
century monk who defied excommu-
nication and the stake in his demand
for religious reform, was produced
by Louis de Rochemont Associates
producers of "Lost Boundaries," and
"Walk East on Beacon."

The title role is played by Niall
MacGinnis, British actor, who heads
a cast and crew of 500 drawn to-
gether from the U.S., France, Ire-
land, England, Scotland, Germany,
and Austria.

Lothar Wolff, de Rochemont
veteran of The March of Time
series, produced the film on location
in the towns, castles, and churches
of West Germany. Irving Pichel of
Hollywood directed and played one
of the key roles. The script, prepared
by Allan Sloane and Wolff, is based
upon Catholic and Protestant sources
and leans heavily on historic docu-
ments for its dialogue.

Craftsmen of both faiths enlisted
the support of museum in Berlin,
Mainz, Wiesbaden, Bretten for au-
thentic costuming and reconstruction
of such scenes as the Diet of
Worms and the Diet of Augsburg.
Music was furnished by the Munich
Philharmonic Orchestra with an
original score by Mark Lothar of
the Bavaria State Theater.

A. P. Arnoldin, assistant rector,
performed the double-ring cere-
mony. Mrs. Bernard Henry,
church organist, played wedding
music. Mr. and Mrs. Charles Hart-
laub attended the couple. Bernard
Brady and Melvin Lossman, cou-
sins of the bride, served as ushers.
Following the ceremony, a recep-
tion for about 125 guests was held
in the McSherrystown Fire Com-
pany hall, after which the couple
left for wedding trip to Boston.

the matter over to the Fire Chiefs
Association.

Memorial Service

Eugene Murren reported that the
McSherrystown firemen are plan-
ning to hold the annual memorial
service of the county firemen's as-
sociation there on November 15.

General discussion disclosed that
tornadoes, explosions of gasoline
trucks or trucks loaded with ex-
plosives in the county could cause
a major disaster which could be
met by the Civil Defense set up of
the county.

Bullets, Warriors, Cannons And Squires Have Home Grid Contests Carded This Week

A complete reversal from last week's "away" program of football awaits fans this week with games scheduled for Friday evening, Saturday and Sunday afternoons on local fields.

The big contest of the week will be the Lehigh-Gettysburg College game Saturday at 2 p.m. which will be a feature of the annual Homecoming activities on the college campus.

Gettysburg High's Warriors, who have won five straight for a perfect record, will attempt to eclipse last year's win total when it tangles with Shippensburg here Friday night in a non-conference game. Last year the Warriors wound up with a 5-3-1 record.

Biglerville, victorious for the first time on Saturday, will seek its second straight win Friday night when it entertains Manheim Central in a Conference of the Roses game in the upper county town.

The Sunday game will be played at McSherrytown where Delone Catholic is host to York Catholic in the annual Homecoming game for the Squires.

Littlestown has an open date this week.

Opening the week's program of gridiron warfare is the Biglerville-Bolling Springs jayvee game today at Bolling Springs.

Junior Hi At Hershey

Roger Herr's Gettysburg Junior High eleven, victorious over Delone and Bolling Springs in its opening games, journeys to Hershey for a game Wednesday afternoon at 3:30 o'clock.

The Delone Freshmen will play at Waynesboro Thursday.

Two soccer games are listed for the Gettysburg College booters this week. This afternoon Lehigh was met here and Friday Johns Hopkins will be here.

East Berlin High's soccer team is at Dillsburg today and entertains Spring Grove at home Friday.

Grace Kennedy's Gettysburg College coeds have two field hockey tests this week—Millersville State Teachers College here Wednesday and Lebanon Valley, also here Saturday.

Two Pitchers Are Recalled By The A's

PHILADELPHIA (AP)—The Philadelphia Athletics have recalled pitcher Ed Burtisch from Ottawa of the International League and pitcher Art Ditmar from Savannah of the Sally League.

Burtisch, a righthander, won 12 and lost 7 for Ottawa last season, working in 50 games, usually in relief. Ditmar won 7 and dropped 3 for Savannah. Burtisch is 30, Ditmar 24.

The club also announced the outright sale to its Ottawa farm of team pitchers Mike Kume and John Mackinson and second baseman Everett (Skeeter) Kell. All three played with Ottawa in 1952 on loan from the Athletics.

IDLE IRISH ARE STILL AT TOP OF GRIDIRON HEAP

NEW YORK (AP)—Notre Dame remained at the top of the collegiate football world today—the third straight week the Irish have ruled the roost.

The weekly Associated Press poll of the nation's sports writers and sportscasters gave the South Bend squad 1,226 points despite the fact that it was idle last Saturday.

Notre Dame collected 74 first places compared to 57 for all other teams combined. The points were tabulated by the usual method of 10 for first, nine for second and so on.

Ohio State, which had to come from behind to lick Texas Christian, stayed in second place, but gathered only 14 first-place votes, as compared to 15 last week and 977 points compared to 1,022 in the second poll.

The biggest change was disappearance of Ohio State from the top 10. The Buckeyes, shattered by underdog Illinois 41-20 last Saturday, plummeted to a tie for 18th with Mississippi Southern, the little school that beat Alabama at the start of the season. Illinois rose to No. 9 in the rankings.

Maryland, which many observers think is the top team in the South, rated third, only 16 points behind Michigan State. The Terps were a distant fourth last week.

UCLA was fourth and Michigan fifth. The rest of the first 10 was rounded out, in order, by Georgia Tech, Duke, Baylor, Illinois and West Virginia.

Local Lads Shine In Cardinal Loss

CHAMBERSBURG — The Car Credit entry in the Interstate Football League pierced the Chambersburg Cardinal defense at will here Saturday night in registering its fourth straight victory over the Chambersburg outfit in a loosely played 14-0 contest before 1,000 fans at Hemminger Field.

A 50-yard pass play from Frank Magatutu, former University of Maryland quarterback, to Bobby Hite gave Car Credit its first score late in the opening period.

Car Credit covered a Cardinal fumble late in the third period on the Chambersburg nine. On second down, Hite took a pitchout from Magatutu and skirted the Cardinal right end for the touchdown. Fred Wilkin converted after each score.

Gettysburg Stars
Jake Sanders, offensive tackle from Gettysburg, received a painful ankle injury early in the opening period and sat out most of the contest. Herb Bowling was Chambersburg's most effective runner on offense although John Bolan nearly broke into the clear on several kickoff returns. Paul Minchhoff played mostly on defense.

Next week, Chambersburg plays host to the Alexandria, Va., Rams at Hemminger Field.

GUARD IS INJURED

WASHINGTON (AP)—Guard John Posta of Condale, Pa., is lost to the George Washington University football squad for the rest of the season because of the recurrence of a neck injury in last Saturday's 24-20 loss to Virginia.

GHS-Shippensburg Tickets On Sale

Reserved seat tickets for the Gettysburg-Shippensburg High School football game to be played here Friday evening at 8 o'clock have been placed on sale and are now available at four places.

Tickets may be procured at the Peoples Drug, Britcher-Bender, and Rea and Derick stores, and at the high school office.

A surprisingly large number of tickets were sold Monday which indicates a big crowd when the undefeated Warriors go after their sixth straight at the expense of the Greyhounds.

ARCHERS KILL 4 DEER ON FIRST DAY OF SEASON

HARRISBURG (AP)—In one day of hunting Pennsylvania's archers have bagged at least one fourth the number of deer killed in last year's entire two-week special season.

Yesterday's opening of the 1953 special bow and arrow hunt found four kills reported across the state, mostly from the north central region known as good deer grounds. The first deer was downed only 20 minutes after shooting began at 7 a. m.

Last year reports of 24 deer kills were made to the commissioner. The total was believed low because of extremely dry ground conditions during the two weeks. In 1951, the first time a season was conducted exclusively for archers, the reported kill was 33.

Reporting his first success in years of trying, Clayton Shenk, Lancaster, secretary of the Pennsylvania Archery Assn., said, "My only regret is that I can't hunt the next 11 days which promise to be as good as opening day."

Can Bag One

Hunters are allowed to take only one deer a year, in any season. Shenk got his legal buck, dressed out at 99 pounds, at a range of 38 yards while hunting in Cameron County near Emporium.

"Hunting conditions are ideal, at least here, because of slight rainfall Sunday night," Shenk added. He said his party, which included Thomas D. Frye, Harrisburg, recently resigned executive director of the State Game Commission, saw 67 deer during legal hours.

Another kill was reported by Joseph Kuhar, Vintondale, Cambria County, while hunting near the Clinton-Cameron county line. An unidentified bowman downed a four point buck in Elk County.

The earliest kill was by Daniel A. Pacello, Ambler, who got a 120-pound two point buck near Hills Grove, Sullivan County. He was hunting with Ronald A. Ciccarone, Norristown. Both are members of the Perkiomen Valley Sportsmen Club, Collegeville.

To be legal game the deer must be male with two or more points on one antler or have an antler, without points, more than three inches in length. Legal hours are 7 a. m. daily, except Sunday, until Oct. 24.

BASEBALL FEVER IN BALTIMORE CHEERS DE WITT

BALTIMORE (AP)—Bill DeWitt, vice president of the defunct St. Louis Browns, today was in charge here—temporarily at least—of the new American League Orioles.

After a single day's meeting with others who will have a hand in guiding the major leagues' newest member, DeWitt:

1. Expressed surprise at the "tremendous" interest manifested by Baltimoreans in their baseball team despite the current football enthusiasm and the approaching basketball season.

Enlarging Stadium

2. Said he was "pleasantly pleased" with progress of construction of a second deck to Memorial Stadium, slated to raise capacity to 52,000 by opening day next spring.

3. Praised parking facilities on either side of the stadium as superior to any city in the majors except Milwaukee which he said could match Baltimore's big parking lots.

DeWitt scheduled a meeting today with stadium engineers to determine exactly how many seats there will be in various categories.

Discusses Player Deals

He also said he "talked with several American League club owners regarding some deals (player deals), but has nothing along that line to report."

There was speculation DeWitt's main purpose in being here was to mastermind some deals involving

Cubs Buy Contracts Of Five Players

CHICAGO (AP)—The Chicago Cubs announced today the purchase of the contracts of righthanded pitchers Jim Brosnan and John Pyecha and three other players from their Springfield, Mass., affiliate.

Brosnan, 24, won 4 and lost 18 for the last-place International League club. Pyecha, 22, appeared in 30 games and compiled a 7-11 record, pitching 11 complete games. Brosnan is from Cincinnati. Pyecha's home is in Monaca, Pa.

Other players involved are infielder Chris Kitzos, catcher Harold Meek and outfielder Jim McDaniel.

the farm clubs before all minor league players are frozen in place Friday. He managed St. Louis' farm system.

DeWitt huddled yesterday with Clyde Y. Morris, Baltimore lawyer prominent in the syndicate which bought the Browns; Jack Dunn, president of the International League Orioles and a vice president in the new setup; Herb Armstrong, general manager of the Orioles under Dunn, and Rudie Schaffer, general manager of the Browns.

Miles In Hospital

DeWitt said their discussions were "devoted mainly to the ticket situation."

He has yet to meet with Clarence W. Miles, head of the syndicate which bought the Browns and chairman of the board of the new Orioles.

Miles, a Baltimore lawyer who led the fight to get American League approval of a franchise switch, entered Johns Hopkins Hospital last night for a few days of rest and a general checkup. His doctor said Miles had overruled himself the past several weeks.

CRUCIAL CASE FOR BASEBALL IN COURT TODAY

WASHINGTON (AP)—Organized baseball goes before the Supreme Court today in what it perhaps the most significant legal contest in the history of the national sport.

The court has been asked to decide whether baseball is an illegal monopoly in restraint of trade. If it decides that it is, the ruling could mean the end of big league baseball as it is now played.

The question whether baseball violates the nation's antitrust laws has been before the Supreme Court before. In 1922 the court decided baseball wasn't a business, and that as a sport it was not subject to federal antitrust laws.

Claim "Slavery"

The three appeals now before the high court were filed by minor leaguers George Toolson and Walter Kowalski and a minor league clubowner, Jack Corbett.

All three maintain that the 1922 decision no longer applies. They contend the game has been greatly changed since then by such developments as intricate farm systems and radio and television coverage.

In addition, the appeals maintain, baseball amounts to something resembling slavery since the players are tied to their club owners under the controversial reserve clause, which gives the owners absolute control over baseball activities of the players.

Replying to the suits, organized baseball said in its briefs that the

Giants To Unveil Galiffa On Sunday

NEW YORK (AP)—Arnold Galiffa, who won 11 sports letters at West Point and later became the grenade-throwing sensation of the Korean War, is anxious to get a taste of pro football—and chances are it'll come next Sunday.

The New York Giants make their home debut against the Chicago Cardinals at the Polo Grounds and Coach Steve Owen promises least—new his quarterback from the fighting fronts who he says "will be another Otto Graham."

The 6-foot-2, 195-pound onetime steel hand from Donora, Pa., became a Giant over the weekend after his discharge from the service. He watched his teammates lose their third straight game in Washington Sunday, bowing to the Redskins 13-9.

EX-CLEVELAND MAYOR IS GIVEN TAFT'S PLACE

COLUMBUS, Ohio (AP)—Democrat Thomas A. Burke, 54-year-old four-time mayor of Cleveland, today holds the Senate post vacant since the death of Robert A. Taft July 31.

Gov. Frank J. Lausche of Ohio appointed Burke late yesterday. It was a surprise announcement by the Democratic governor, who called his private secretary from Cleveland and told her to release the news.

Lausche's selection of his close friend and long-time political ally gave the Democratic party a 48-47 edge in the Senate. The other senator is independent Wayne Morse of Oregon. Vice President Nixon holds the deciding vote should the Senate deadlock. Morse was elected as a Republican but later bolted the party in a hassle over policy.

Not Consulted First

The governor said he did not speak to Burke prior to the appointment.

"He had no commitments to me of any character whatsoever," Lausche said, "except that I anticipate he will take no action to change in any manner the present organization of the Senate, and that, in the fulfillment of his duties he will constantly keep in mind the interests and welfare of the general public."

The appointment of the jovial, good-humored Burke brought criticism from one Ohio congressman. Rep. George H. Bender, a Cleveland, called it "part of a shabby deal."

"Sorry Record"

Bender said Burke "will not represent the majority of Ohio; he will substantially misrepresent us." Bender said Lausche's action was "in keeping with his sorry record on national issues."

Burke accepted the appointment humbly. He borrowed a phrase from his favorite sport when he said:

"I feel somewhat in the position of Lou Gehrig following Babe Ruth to the plate."

Burke observed it is not easy to follow "a great senator, one of the greatest."

Popular At Polls

Burke, like Lausche, is popular at the polls. When Lausche resigned as Cleveland mayor in 1945 to become governor, he appointed Burke. Burke then was elected mayor in 1945, 1947, 1949 and 1951 by overwhelming majorities. Lausche was the only Democrat to gain high state office in the Republican landslide last November.

Burke said he planned to serve out his present term, which ends Nov. 10, unless business in Washington required his presence there. He is a Catholic and holds degrees from Holy Cross and Western Reserve universities. He is married, has two married daughters and several grandchildren.

With \$11,425 In Cash, He Stole Coat

BOSTON (AP)—Police today had in custody a man they said tried to steal a \$25 topcoat from a department store—although he had \$11,425 in cash in his wallet.

Police said Chester Sargent, 60, expressed surprise when told how much he had in his wallet, saying he thought there was about \$5,000 but wasn't sure as "I hadn't counted it for some time."

His landlady told police she reduced his \$4 weekly rent a quarter after he pleaded poverty.

His record shows he was sentenced to three years in prison 23 years ago as a common and notorious thief.

SEE GOP TEST IN WISCONSIN

EAU CLAIRE, Wis. (AP)—Observers saw a possible test of the Eisenhower administration today as voters selected a successor to the late Republican Rep. Merlin Hull of Black River Falls.

Both Republicans and Democrats are watching the election in the predominately rural 11-county district as an indication especially of the government's policies.

State Sen. Arthur L. Padrucci, 36, Chippewa Falls Republican, and Lester Johnson, 52, the Democratic Jackson County district attorney from Black River Falls, both stressed their opinions of the administration during their energetic campaigns.

Electorate Disinterested

The electorate, however, was apathetic and seemed only dimly aware of the possible national significance of the election.

As a result, the election may draw no more than 30,000 persons—less than 25 per cent of the district's estimated 150,000 eligible voters.

Republicans were confident of victory, on the strength of their past record—the district never has elected a Democratic congressman—and their intensive campaign on behalf of Padrucci and his platform of all-out support of the administration.

New Jockey Record Being Set This Year

SALEM N. H. (AP)—Jockey Tony De Spirito's national record of 390 winners is doomed to be beaten by Willie Shoemaker. But he isn't letting that stop him from turning in his best riding of 1953. De Spirito has won 11 of 18 starts in the last two racing days.

The wiry 17-year-old rider from nearby Lawrence, Mass., booted home 5 of 10 mounts in yesterday's Columbus holiday 14-race double-header card at Rockingham Park to boost his 1953 total to 263 winners. He had 6 winners in 8 races last Saturday.

Shoemaker got only one winner yesterday at Golden Gate Fields in Albany, Calif., but he now has 386, only four away from the record.

Trieste, Adriatic Port City Of 350,000 Mostly Italians, Is New Trouble Spot Of World

By JAMES MARLOW

WASHINGTON (AP)—Trieste is the present European hot spot. Yugoslavia's President Tito threatens the Italians if they move in troops. The crisis may be solved short of shooting. Time will show.

The crisis began last Thursday when the United States and Britain said they'd pull their troops out of Trieste, let the Italians take over part of it.

Trieste is both a city and an area, about 320 square miles. The city is a port on the Adriatic Sea and so a prize. The population, mainly in the city itself, is around 350,000. About 85,000 are Slavs, the rest Italians.

An ancient city, long tied in with Italy, Trieste in the 14th century placed itself under Austrian protection and remained part of the Austrian dominion, with the exception of a few years in the Napoleonic period, until 1918.

Given To Italy
When Austria was defeated in World War I, the Western Allies awarded Trieste to Italy, which held it until World War II. Then Italy in turn, this time a German ally, was defeated.

Tito, who had fought the Axis and whose own Yugoslavia was created in part out of the old Austrian Empire which had held Trieste so long, claimed it for Yugoslavia.

Yugoslavia was Communist and at that time, the end of World War II, a Russian satellite. But the

Western Powers wanted to keep Italy friendly to them and in their camp.

A Trieste compromise was worked out in the Italian Peace Treaty of 1947: Yugoslav troops would occupy part of Trieste, called Zone B; the British and American allies would occupy the rest of the territory, called Zone A, including the city.

Needed Neutral Governor

This was to be a temporary arrangement until the United Nations picked a neutral governor for Trieste, which would then become a free territory under the U. N.

But Russia and the Western nations could never agree on a governor.

The result: American and British troops continued to occupy Zone A; Yugoslavs held Zone B. This situation dragged along until 1948. By then relations with Russia had become an open, although cold, war.

Yugoslavia at that time was still under Russia's wing. But the Italian elections were coming up. There was danger the Italian Communists might win and take over.

To help defeat them by strengthening the hand of the Italian anti-Communists, this country and Britain declared all Trieste should be given to Italy, since there had been no agreement on a governor for a free Trieste.

Italy Held Nothing
It didn't matter to the West that this proposal infuriated Tito, still

Foreign Relations committee. Dr. Kenneth Smoke issued a special invitation to the Rotarians to attend a meeting October 21 at the Court House at 8:15 p.m. at which John Hunter Biddle, Huntington publisher, will be the speaker. Mr. Biddle was one of 33 newspaper and radio representatives selected last year to tour 14 European countries, including Soviet Russia.

a Russian satellite. But when Tito broke with Stalin it was to the interest of the West to pacify him. The West then suggested Italy was hardly in a good bargaining position: Yugoslavia occupied Zone B, Italy still occupied nothing.

The United States and Britain still had troops, about 7,000 in Zone A. To strengthen Italy in dealing with Tito, the two allies let Italy have a hand in running Zone A.

In the meantime, Tito began to line up with the West, getting military help, mostly from the United States, which in three years has given him more than 900 million dollars in military and economic supplies.

No Progress On Pact
Still no progress on an agreement between Italy and Yugoslavia on Trieste. The West is anxious for the Italians to get into the European Defense Community, the single European army plan.

To break the deadlock over Trieste and perhaps as an inducement to the Italians to get going on the EDC, last Thursday the United States and Britain said they would withdraw their troops from Zone A shortly and let Italy take over.

That meant Italian troops in Zone A would face Yugoslav troops in Zone B. Then Tito began to threaten. Is he bluffing? Maybe. While shaking his fist he has now suggested a quick Italian-Yugoslav-American-British conference on Trieste.

After Stalin's death Tito resumed diplomatic relations with Moscow. Last night Russia denounced the United States and Britain for their decision on Trieste. This couldn't make Tito mad, might pull him toward the Russians a bit.

But last night the United States and Britain were standing firm.

He will speak on his findings in Russia and Europe.

Hear Frosh Coach

Jim Lentz, Freshman football coach at Gettysburg College, expressed his preference for the "two-platoon" system of football in a talk given before the club.

"In the two platoon system more people get a chance to play football, fewer men get hurt and it is easier to coach," Lentz held. He pointed out however, "What I say here is my own opinion, and is not to be construed as representing the opinion of all coaches. I honestly believe that most coaches prefer the two platoon system."

Lentz held the regulations pertaining to the placing of substitutes in the game, which ruled out the use of offensive and defensive "platoons," work a hardship on many players who are good specialists and under the old system they would be playing.

Tells Of Grid Preparations

Lentz outlined the work involved in preparation for football game. "The preparation really starts two weeks before a game is played," he said.

"Someone scouts the opposing team two weeks before a game is played. This is recognized as part of the coaching job and the person scouting a game is given the best seat in the press box to see as much as he can of the work of the other team. We have found it makes for better football all around."

"Another scout views the opposing team the next week and their findings, plus studies of motion pictures of the opposing team in action, are compiled in booklets given to each player. Changes are made in plays and defense to meet the expected plays and you spend a whole week before a game revising your own play to meet the situation. In a sense, then, each football game is a completely new one, with new plays, new deceptions, new tricks."

Lentz showed motion pictures of the 1952 Bucknell-Gettysburg game. President John Teeter presided at the meeting with 57 present.

memberships throughout the country this year. "TV and radio have not hurt us in the least. On the contrary they have stimulated interest in full concerts, something you never see on TV," Mr. Kneeder said. "We found that music lovers are aware that you cannot replace live artists," he added.

He stressed the advantage of the

reciprocal arrangements Gettysburg has with Hanover, Westminster, Waynesboro and Chambersburg.

May Earn Membership

He stated that workers selling 10 adult or 20 student tickets will be given a free membership ticket. Students selling 10 student tickets will receive one free student membership. He asked the workers to report daily to headquarters.

"The drive closes at 8 o'clock Saturday evening. All reports should be in by that hour. One definite attraction will be the Longines Symphonette. Our other artists will depend upon the success of our membership drive. It is very likely that we have three other concerts, if our membership is sufficient. Many fine artists are available," Kneeder said.

He announced that Chambersburg's concerts will be November 2,

February 23, March 8 and April 22. Waynesboro has two more concerts, November 20 and February 11. No individual tickets for individual concerts will be available.

Donald Bollinger Sings

Donald Bollinger, college student, sang "The Opening of the Key" by Somerville; "Linden Lea" by Vaughan Williams and "Kitty, Me

Love, Will Ye Marry Me?" He was accompanied on the piano by Miss Julia Yost.

Guests at the speakers' table were: Mrs. Kramer, Mr. Kneeder, Dr. and Mrs. Baughman, Dr. and Mrs. Tilberg, Mrs. Bowen and Mrs. Floyd J. King, secretary. Dr. Baughman gave the invocation. A baked ham dinner was served.

Greenlease Kidnap-Killers Returned Today Under Guard To Kansas City; Charges Filed

KANSAS CITY (AP)—The confessed kidnap-killers of Bobby Greenlease today were returned under heavy guard to Kansas City, where the abduction of the 6-year-old boy took place just 15 days ago.

Drug addict Carl Austin Hall and his woman friend, Mrs. Bonnie Brown Heady, were brought here from St. Louis where they had been held since their arrest a week ago.

Officers who made the trip here with them said Hall still insisted he doesn't know what happened to the missing \$300,000 of the \$600,000 ransom paid.

File Federal Charges

They quoted him as saying he hoped the Greenlease family "gets back all the money."

Hall admitted yesterday he fired a pistol bullet into the boy's head after driving him across the Missouri-Kansas state line from Kansas City shortly after the kidnapping.

The government filed charges here under the Lindbergh kidnaping law immediately after the couple signed confessions. A federal grand jury will be convened to hear the evidence.

The admissions cleared the missing Thomas John Marsh, 37, ex-convict named earlier by Hall as Bobby's killer.

Jackson County Prosecutor Richard Phelps agreed to let the federal government prosecute the two kidnapers. State charges had previously been filed.

Conviction carries a possible death penalty.

The FBI said Hall and his woman friend admitted they dug Bobby's shallow grave behind Mrs. Heady's St. Joseph, Mo., home before the kidnapping.

Bobby apparently was killed in Mrs. Heady's station wagon after the couple had driven him to a point near U. S. Highway 69 in Kansas 12 miles from Kansas City.

Marsh's whereabouts still remained a mystery. There has been speculation he may be dead.

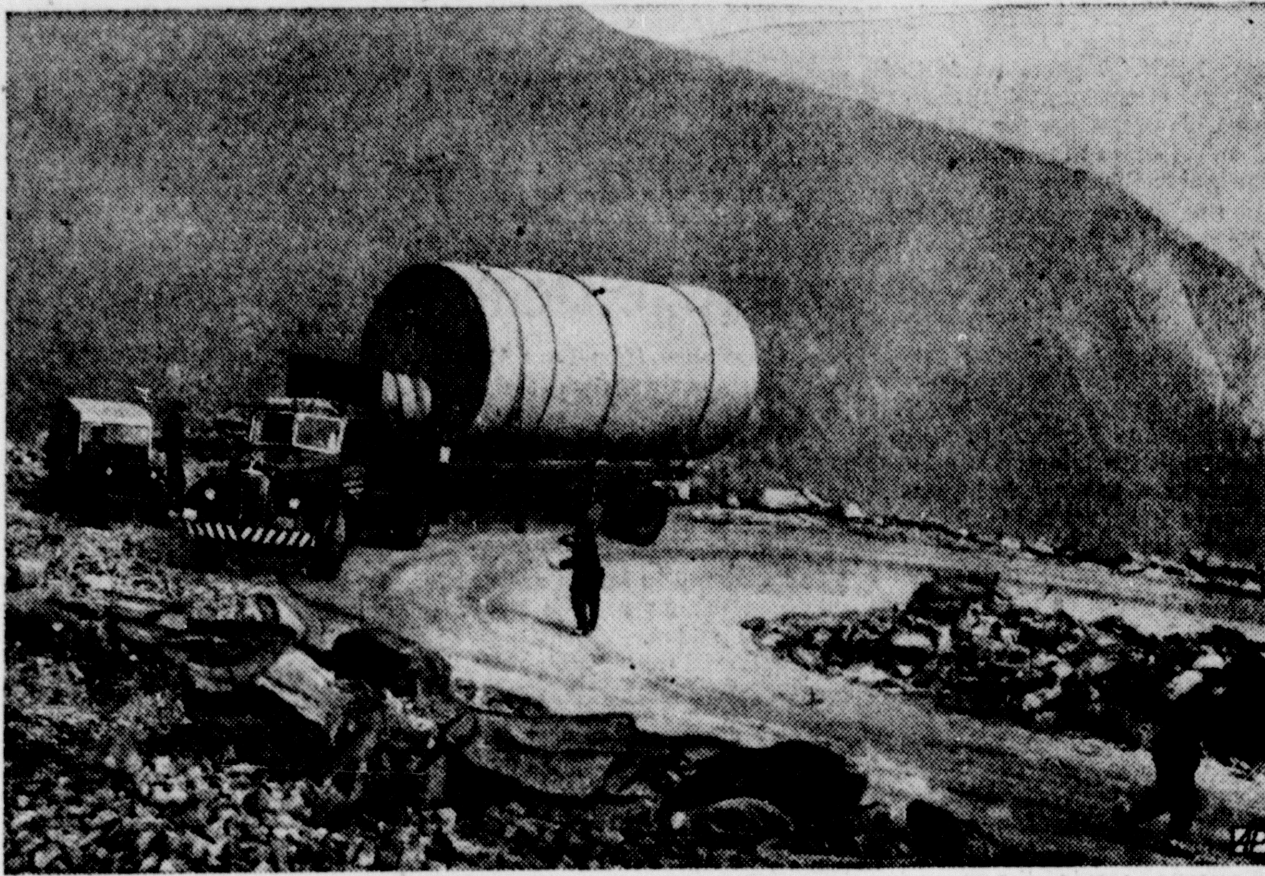

"GIVEAWAYS" TO GET COURT TEST

WASHINGTON (AP)—The Supreme Court Monday agreed to review government efforts to ban radio and television giveaway shows.

The Federal Communications Commission appealed to the high tribunal after a special three-judge federal court in New York said the ban should apply only where contestants were (A) required to furnish money or anything of value, or (B) have in their possession a sponsor's product.

The special court knocked out a commission ban on program schemes which directly or indirectly require audiences to listen to shows as a condition of being eligible to win prizes.

The commission rules were in-

BASES ABROAD CURBED REDS

WASHINGTON (AP)—Sen. Duff (R-Pa.), back from a six-weeks inspection tour abroad, says American overseas air bases make possible "annihilatory retaliation" against any Russian attack.

A member of the Senate Armed Services Subcommittee on air base construction and military procurement, Duff arrived in New York on Sunday aboard the United

States.

Duff said he feels that although the United States is spending huge sums for overseas defense, the money "is a mere nothing" compared with the damage and chaos that would be caused by a Russian attack on this country.

He emphasized in an interview that the overseas air base program is not one of American aggression but is designed instead to prevent Russian aggression. And, he added, it has paid off in that it has deterred Russia from engaging in further aggressive moves.

"UNWISE" PLANS HIT BY BENSON

PHILADELPHIA (AP)—Skidding prices of farm products and current farm surpluses can be laid to "unwise" programs and unwise policies of the past, according to Secretary of Agriculture Ezra T. Benson.

Speaking at a dinner meeting of the 38th annual convention of the National Association of County Agricultural Agents last night, Benson said:

"We face serious challenges today—excess stocks of some commodities, loss of export markets, a severe farm price squeeze. These emergencies developed because farm policies and programs did not prevent them."

"We see today the results of these unrealistic postponements of agricultural readjustment. We are still producing at near-record levels, but demand has fallen off, especially foreign demand for Amer-

Penn's Star Back To Play Saturday

PHILADELPHIA (AP)—George Bosseler, captain and star back of the University of Pennsylvania who was sidelined while California humiliated the Quakers 40-0 last week, will see action against the tough Ohio State Buckeyes Saturday.

Bosseler's recovery from a knee injury was about the only glimmer of light in the dark football situation at Penn, which faces a team that treated California almost as roughly as California treated the Quakers. Ohio State overpowered Cal with a second half surge, 33-19, two weeks ago.

ican wheat and cotton at present price support levels."

The previous administration, Benson said, used the "excuse" of emergency situations during the years since World War II to delay the farmers' transition from war to peace.

EXPECT 30,000 FOR BIRTHDAY PARTY FOR IKE

By BEN FRENCH

HERSHEY, Pa. (AP)—Pennsylvania Dutch farmers rubbed elbows with governors and Cabinet officers in a gay circuslike atmosphere today as thousands of Republicans poured into this central Pennsylvania "chocolate town" for a unique celebration of President Eisenhower's 63rd birthday.

Nearly 30,000 were expected to be on hand to greet the President and the first lady for their scheduled arrival late in the afternoon.

More than 6,000 paid \$100 a plate for a roast beef buffet supper to be served in the "big top," a mammoth tent borrowed from Ringling Brothers-Barnum and Bailey Circus. The rest of the crowd brought box lunches.

To Have Box Lunch

Mr. and Mrs. Eisenhower will go first to the Hershey Stadium to partake of their own box lunches with the throng. Then they will move over to the colorfully decorated tent 200 yards away to have coffee with the buffet diners.

Tonight, in the 6,400-seat indoor sports arena, the Eisenhowers will join in "a real old-fashioned birthday party." The program includes such parlor games as "pin the tail on the donkey."

A huge five-tiered platform, designed to resemble a birthday cake was erected in the center of the "big top." It was loaded today with more than four tons of Pennsylvania fruits and vegetables.

In the arena, bandleader Fred Waring ran through a last-minute rehearsal of a gigantic pageant to be presented in honor of the President. Hundreds of high school and college students donned costumes of pilgrims and coon-skinned pioneers for the show.

Have Many Stars

Dozens of professional showmen and sports stars will provide the entertainment.

Hundreds of other youngsters prepared for a huge choral and band program to be presented in the stadium for the nonpaying guests.

The entire affair is being staged

Charles Baird to return to the bus past the Quantico Marine statue of the raising of "Old Glory" on Iwo Jima, the Fredericksburg battlefield, Kenmore, home of Betty Washington and the George Washington birthplace.

Glancing at a centuries old gnarled tree growing in the spacious gardens outside the Kenmore home of Washington's sister, George Naugle, insurance agent, chuckled, "Well, there's something older than I am." Kenmore appears to be a religious anomaly, one of the home's committee being heard to say: "We've prayed to the Lord and worked like the devil to rebuild this place."

But it was at Kenmore that all agreed "this is one of the few places which can genuinely boast, George Washington slept here, ate here, entertained here and on the side, took an occasional nip."

Best Crack Of Day

Best crack of the day was attributed to Dr. J. Walter Coleman, superintendent of the Battlefield, coming on the heels of a debate over the ability of young George Washington to toss a silver dollar across the Potomac River at Fredericksburg in the late 1700's, Coleman said.

"I read in the papers where Walter Johnson, the big league pitcher, threw another silver dollar even further while standing at the same place," John D. Lippy Jr. "Ah, ha, hawed." Coleman scoffed, "Even a Republican could not make a dollar go that far."

Dave Garfinkle, photographic supply dealer, set the sartorial pace by turning up in a blood-red sports jacket, yellow checked sports shirt, grey-green slacks and profusely colored socks. Mrs. Helen Snyder, C. of C. secretary, set the style for the ladies with a purple suit, green shoes and a white ruffled blouse.

Eight hundred cakes were baked for the occasion by Pennsylvania housewives. One of the cakes will be chosen by lot for the President's private birthday celebration tomorrow in the White House.

BANKER ADMITS \$174,000 THEFT

SCRANTON, Pa. (AP)—Gilbert J. McCauley, 40, former assistant cashier of the Third National Bank and Trust Co., pleaded guilty to embezzling \$174,000 in bank funds yesterday. Three others indicted on charges they aided McCauley pleaded innocent.

Sentencing of McCauley was deferred indefinitely by U. S. District Judge John W. Murphy. Meanwhile, the three others are free on \$10,000 bond each. They are Mrs. Badi J. Hashem, 49; her son, Thomas, 29; and Samuel Miller, owner of a bakery here.

BOTH SIDES TO START QUIZ OF POW THURSDAY

PANMUNJOM (AP)—The Korean repatriation commission today asked the U. N. Command and the Communists to start Thursday in their attempts to persuade war prisoners to return home.

The commission request came shortly after the UNC announced it would complete by midnight tonight a permanent center for the Reds to use in interviewing 22-30 North Korean and Chinese POWs.

The Allied announcement opened the way for the long delayed—and potentially explosive—explanations to start rolling.

The Reds had steadfastly refused to meet with the POWs until the UNC completed new facilities. The explanations originally were scheduled to begin Sept. 26 but both sides rejected existing sites as inadequate.

The Communists, who want to interview the 7,800 Koreans and 14,500 Chinese POWs individually, presumably will begin the explanations by Thursday.

The UNC, however, has said it was in no hurry to start meeting with the 23 Americans, 1 Briton and 335 South Koreans who have refused repatriation.

In 1947 the birth rate of the United States was 25.8 per thousand.

Plans Forestry Career

Concerning the Korean as a soldier, Lt. Brown asserted: "A good many of those in our outfit developed into excellent soldiers. However, as with any other group, some make good soldiers and some aren't so good."

Lt. Brown was graduated from Gettysburg College in June, 1951, and received his commission through the ROTC that August. He served first at The Infantry School at Fort Benning, then was sent for Fort Dix, N. J., and from there to Korea. He returned directly from Korea, landing on the West Coast last Friday. He arrived here Monday morning.

Following his separation from the service he plans to attend forestry school, possibly at Penn State. "My plans are necessarily indefinite at the moment," he said Monday, "with much depending on what arrangements I can make concerning further education after I am released from the service."

Regular-Priced Blue Sunoco Wins Against 15 "Premiums"

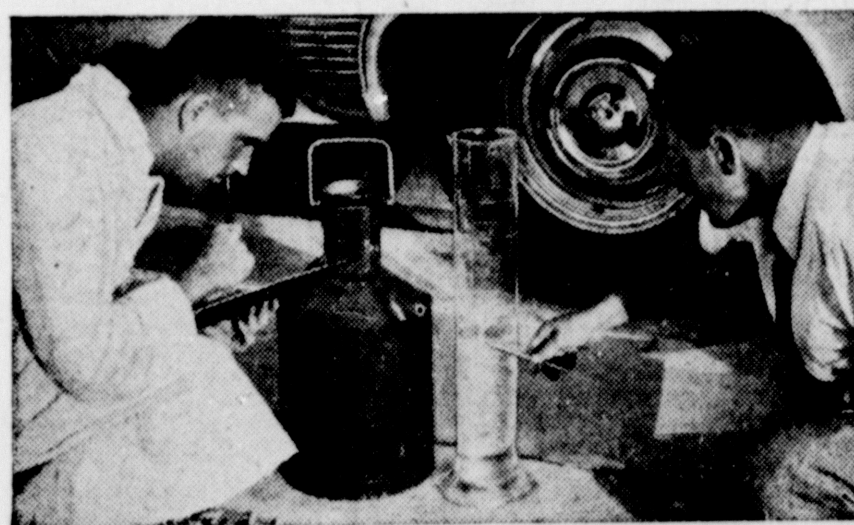

Road tests conducted by U. S. Testing Company prove Blue Sunoco delivers up to 12.4% more miles per dollar than 15 premium-priced brands—matches acceleration and performance of these same gasolines, which cost up to 3¢ more per gallon.

THE TEST: 16 major gasolines were tested by the famous United States Testing Company. 15 of these gasolines were premium-priced brands. Only one—High-Test Blue Sunoco—sells at regular gasoline price.

THE RESULTS: Blue Sunoco gave up to 12.4% more miles per dollar than the 15 premium-priced gasolines tested. Blue Sunoco matched the acceleration and over-all performance of these same brands.

"PICK-UP" TESTS revealed that High-Test Blue Sunoco matched the 15 gasolines which cost up to 3¢ more per gallon.

AFTER DAY'S RUN, U. S. Testing Company technician carefully checks gasoline remaining in tank. Blue Sunoco's amazing showing against 15 premium-priced brands is credited to Sunoco's one-grade, highest-quality policy. Make your own 10-gallon test and see for yourself the difference High-Test Blue Sunoco makes in miles per gallon. Ask your dealer what brands were tested.

steering effort up to 80 per cent, permits fingertip control in tight parking situations and promotes safe driving through lessening of driver fatigue and absorption of road shock.

Three Power Drives

In its 1954 line, Plymouth offers three options in power drives. Hy-Drive, a no-shift unit made up of a combination of torque converter and three-speed transmission, was introduced during the 1953 model year. It will be in volume production for 1954 models. The two other options are Synchro-Silent three-speed transmission and Synchro-Silent with Overdrive, which provides a fourth forward speed for cruising. Mansfield said more than half the Plymouth now being produced have either Hy-Drive or Overdrive.

The new Plymouth line is made up of 11 body types in three series. Aristocrats of the line are the Belvederes consisting of a sport coupe of "hardtop design, a four-door sedan, convertible and Suburban steel-bodied station wagon type car, all beautifully color-styled in two-tone combinations. In the Savoy series are a four-door sedan, club coupe and two-door sedan. In the lowest priced Plaza series are a four-door sedan, two-door sedan, business coupe and Suburban.

All models have completely new interiors. Other changes include an increase of 3 1/2 inches in overall length, a new front end styling treatment, new chromium side moldings and modifications in virtually all exterior design features.

A purchase need not be made to be eligible for either grand prize or door awards.
Coupled with Peoples' local fete, the store's Rexall affiliation — currently honoring its own Golden Anniversary — will feature a one cent sale when the regular price will buy any Rexall item in the store and one cent more will purchase two.
A member of the Rexall franchise since January 19, 1913, Peoples enjoys the distinction of ranking 21st out of 521 Pennsylvania cities marketing Rexall products. A recent company booklet published by the International Association of Rexall Clubs cites the Gettysburg store for advancing from 24th to its present high rating in one year's time.

"Efficient" Service

Martz said the secret behind the local drug firm's highly-prized reputation: "efficiency and speed in service to medical and citizen purchaser alike." Peoples boasts one of the largest prescription departments in this part of the state in charge of John J. Augustine, registered pharmacist. He is assisted by B. L. Lebergern, an eight-year veteran. Augustine has been with Peoples 13 years.
Clerks and other employees of the store include Charles Beales, John C. Irvin, Evelyn Beales, Joseph Robinson, and William Holtzworth.
Founded at some undesignated date about the turn of the century, The Peoples Drug Store was first operated by a Mr. Musselman — who probably was more alchemist than pharmacist. He, in turn, sold it to Frank Meals. In 1903 — the same year the Rexall people went into business — C. William Beales, a former state senator and congressman, purchased the store and conducted it until his death in 1927. It is presently owned by Mrs. E. Mae Beales, wife of the deceased politician.
